PROFILE

I'm Umesh Ghimire, a BSc CSIT student and aspiring software developer passionate about building practical web and app solutions. I work with technologies including HTML, CSS, JavaScript, PHP, Laravel, MySQL, C, Python, and Flutter. A software development, I'm exploring Artificial Intelligence, Machine Learning, cybersecurity, and ethical hacking. I enjoy turning ideas into functional projects, learning new technologies, and continuously improving my skills through hands-on development.
